

Diploma in Professional Beauty

LookWell Academy

Overview

This course will give the student an intense knowledge of skin, functions of skin, and physiology of skin. It will teach the use of four machines and all major treatments for treating major skin concerns. Students doing advance beauty will also have to complete the basic beauty course and diploma certificates will be awarded for both courses. There will be extensive hands on practical training which will include a signature facial massage and also body massage.

Requirements

This course is best suited for those who want to work in the salon industry or want to start their own business. Ability to read and write Hindi/English is necessary to work with the course material and take the written test.

Course Content

- Structure and anatomy of skin
- Functions of skin
- Skin types, skin conditions and skin concerns.
- Skin analysis and face mapping
- Theory and demo practice in threading, waxing, pedicure, manicure, bleach, clean up and basic facials
- Signature Facial massage

- Body Massage
- Brushing unit, ultrasonic, galvanic and high frequency machine.
- Retailing and home care
- Client consultancy

Evaluation

There is a written and practical test at the completion of training. Students need to clear both the tests to be eligible for certification.

Tools

Students will be given a pedicure and manicure instrument kit and all consumables and products will be provided by the academy.
